

TRIP ATTENDANCE SHEET

A Trip Attendance Sheet must be kept for all club trips.

The Trip Leader is responsible for ensuring all attendee's (driver and all passengers and visitors) are recorded on this sheet at the commencement of the trip.

The sheet must be returned to the Trip Co-ordinator at the conclusion of the trip.

Note: Membership is based upon a single four wheel drive vehicle, and includes both parents and children who normally reside together having the authorised and regular use of that vehicle.
