"President's Report"

Welcome to the new 2006-07 committee, and thank you for allowing me to lead this great club for the next Twelve months.

This year you will see a very excited committee full of great idea's, and we intend on delivering more social and family events that will draw in the whole family so if you have a great idea please see the social girls.

We plan to make some change in the way we run the monthly meetings and we hope that this will prove to be beneficial to not only you, but also the club.

We have many great trips up on the board so please look them through, discussing the details with the trip leaders.

Thanks to the trip leaders, we are always looking for weekend trips and already there have been some sensational suggestions for the warmer months.

We are seeking some recent photo's to update the trip photo board so please drop them in to David (Shorty) or Myself.

Do you think we need more equipment for loan in the club or for club trips, if so please see Merv or Paul Tabone, the committee is happy to review all suggestions.

The 4wd show is coming soon, this year we are seeking support from members of the club to assist Dave Goodenough runs this excellent event.

To the boring stuff now, subs are now due, your prompt payment allows the club to have a good cash flow, please see Nick & Sam ASAP.

Pres

Anthony (Antman)

Secretary's report

To assist in getting club information out to members as quickly as possible I would like to set up a database of club members' email addresses. If you want to be on the database can you please send me an email to okane@internode.on.net.

This information will not be passed on to any third parties and will only be used to advise of changes to club trips, meetings etc.

All incoming mail to the club has now been diverted to Shorty's home address so we can act quicker on anything that requires a response. The address for correspondence remains the same PO Box 1150 Blackwood

EDITOR'S SAY

I probably will not be writing in here very often, but I would like to set some guidelines that I need to follow to have this magazine ready for each meeting.

Stories, Trip Reports, Items for sale, Photos or any thing of interest, must be sent to me by the last day of the month preceding the next meeting, or they will miss being printed that month, unless prior arrangements are made with me.

Anything that misses an issue I will put into the following Magazine. Please make sure that you check the reports you sent me as I will be putting them in as you write them and not rewriting them.

Please email: or Fax your items to me at:

SOCIAL SCENE

LASER SKIRMISH – Saturday 27th May 2006

A fun time was had by all who attended Laser Skirmish on Saturday May 27th. Many emerged from the Laser field rather hot & sweaty after about an hour of fun running around with a laser gun. It was quite amazing how one rather large gentleman had so many hits, it must be practice. We all then went for a short drive down to the Maid of Auckland Hotel for dinner, a drink and some stories about the evening and some 4x4 driving adventures.

MID-YEAR DINNER- Saturday 22nd July at THE BELAIR HOTEL at 7.30pm

This year our mid year dinner is going to be at The Belair Hotel, in the Conservatory. It will commence at 7.30pm and is \$25.00 per person for the buffet. Deposits of \$10.00 per person can be paid now or at the latest by the end of the July meeting. Put your names on the list now and pay your deposit to either the Treasurer, Lyn Morgan, Jo Reed or Julie Holberton.

CAMP COOK WEEKEND AT JACK'S PADDOCK - Saturday 2nd & Sunday 3rd September.

Jack's Paddock is at Kuitpo Forest and you can arrive any time after 12.00noon. You can camp the night or just drive home after you have a great evening of camp cooking and tastings. As in previous visits to Jack's Paddock we will be bush camping (Camper Trailers, Vans, Tents or swags). Dinner will be shared on Saturday evening with each family cooking either your favorite camp meal or why not try something new.

We will not start a trip list at this stage but mark your diaries with the date; a list will be started a bit closer to the event.

As always please come and speak with Lyn, Jo, or Julie tonight if you have any suggestions or questions regarding our events for the year. Have a great night!

UPCOMING PEAKE TRIP

The attendance at the Peake weekend on 4-5th March was very disappointing. This is a great venue for some fantastic fun times and an opportunity to practice some of your sand driving skills and rescue techniques.

Driving around the property provides us with some excellent driving conditions.

If the weekends at Peake are not attended in greater numbers MLR will end up losing the booking to another club. This venue is always being sought by other clubs as it provides excellent camping and training opportunities.

Bring Sand Flag, Compressor and Snatch Strap is minimum a requirement. You will also need to take your own firewood. A \$10.00 deposit is required tonight to confirm your booking on this trip.

Rockleigh. By Glen Bull

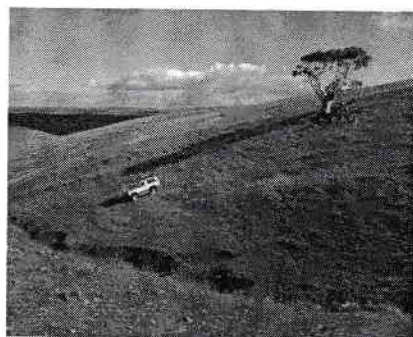

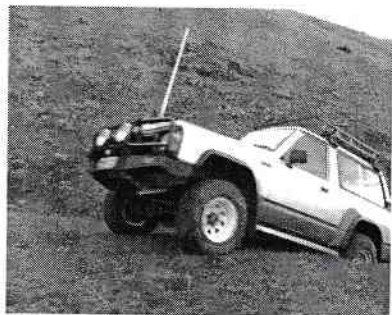

For those who haven't been to Rockleigh as yet, and didn't get to last weekends trip on 17 and 18 June. Here are some pics of Shorty and myself up there the other day. Dave Goodenough was the trip coordinator on the weekend.

Shorty's world famous BBQ. Although I cannot guarantee that he will cook for all on the weekend.

Wash-outs to try out the articulation

There are various grassy knolls varying from easy to difficult and all have an alternative route for those not wanting to risk it.

Good angles all round certainly help.

So next time its on make an effort to come and enjoy, its just a short trip from Adelaide be it for the weekend or just for the day.
