Well, by the time you read this I will be a relieved man or pretty damn close to being that man, as the 2019 REDARC 4WD Octoberfest will be done and dusted. I mentioned last month that I may have to cap attendees. This actually occurred with over a month to go. Some stats as at the time of drafting this:

- 401 days in planning, 2 days set up, 3 day event and a wrap up session to follow (phew)
- 95 cars registered
- 175 People
- 15 Sponsors
- 27 Raffle prizes
- 14 different trips available

Thanks to all those MLR members and to those from the other 4WDSA clubs who assisted to make this happen. A big shout out to all of the sponsors who's contributions in a tightening business environment is greatly appreciated. I have included a list of the sponsors in the mag, please support them when you get the opportunity.

Moving right along...Despite a drop in the membership numbers during the previous month, I am buoyed that we have bounced back and are once again heading to typical 80+ members.

I'm still on the hunt for someone to head up the MLR Silver Jubilee subcommittee. Contact me if you are interested and I can discuss it further. It will be disappointing to think that we won't be celebrating this milestone. (Thought I'd have one last crack at asking)

Coming up, check out the trip board, there are some new expressions of interest. Don't forget, if you are considering a trip but are hesitating as you don't want to be the trip leader, come and have a chat with me or one of the other committee members. Any trip is better than no trip.

Some of the key trips you should lock into your diaries are the MLR Christmas at a new location just out of Murray Bridge at Avoca Dell in November and Beachport 2020. Re MLR Xmas the club will provide the food and will be asking for a small commitment deposit which will be refunded on arrival (this will probably cover your camp fees) more info to follow.

Speaking of Christmas, I am running another club night at an outdoor shop. This year we are returning to Anaconda for discounts and Pizza. Good time to buy some Christmas presents. Look at the flyer for more info.

On the Christmas theme, heads up we will run the evil Santa for our Dec meeting. It's always entertaining finding out what the hot item of the year is and how actually gets to take it home. Look out for more info over the next few months. NB. I need 22 people to attend to make it feasible for the store manager to run.

Re Beachport have you booked your site yet? If yes have you informed me so I can cross check with the booking list and trip sheet. As at 30 Sep, I handed back several sites in D Section to the park managers. If you haven't booked yet and are contemplating going contact them directly. FYI we are planning a BYO BBQ for the Saturday night social activity. The aim being to get folks together and way from their vans, campers tents etc. After all many of you indicated one of the reasons you joined the club is to socialise. Over to you😊

Next Meetings:

Next monthly meeting is **14th October**

Next committee meeting **28th October**

Word of the Month:

In keeping with the previous month (check it out)...

Pneumonoultramicroscopicsilicovolcanoconiosis –
Longest word in the English language - name of an occupational lung disease (more commonly known as silicosis) resulting from inhaling crystalline silica dust).
