RANGERS' REVIEW

PRESIDENTIAL PRESS

G'day Rangers...

Nothing fancy just some housekeeping messages this month in no particular order...

- Remembrance Day – 11:00, 11/11/21 “Let We Forget”
- Christmas at Wirreanda Farm – see correspondence from David Cunningham; please note the cut of dates so we can notify the property owner and caterers. We hope to have to club scales near the property entrance for those who want to weigh vehicles and vans/trailers.
- Dec Meeting - Evil Santa will return for the Dec meeting, keep an eye out for the flyer. You know the drill... one present = one ticket & the quality of the present you choose is not guaranteed.
- 2022 Show and Shine – Our now annual show and shine will return at the Jan club meeting with prizes being awarded for all sorts of miscellaneous categories.
- Beachport 22 – Heads Up, next year's event will be run slightly different. So...don't be surprised, it will be a tad messy given the fact the public holiday is on the Wed. This means we will have members coming and going over a 9-day period. As such, it will make it difficult to coordinate trips and gatherings. The best thing to do will be to meet at the D Sect kitchen each morning and see who is heading where. Notwithstanding, we will still require (as always) folks to put their hand up to lead a tag along.
- Loftyfest 22 – Next year's Loftyfest will be held at the Argadells Reserve the Oct long weekend dates and keep an eye out for further information.
- Trips 2022 – with the increased COVID vaccination rates and the opening of boarders this month, now is an ideal time to start planning those 2022 trips. Lets see if we can start next year with a few trips on the board.

Anyway, that is enough for now, take care of yourself, and those around you – stay safe!

Next Meetings:

Next monthly meeting is **08 Nov 2021**

Next committee meeting **22 Nov 2021**

About us

The Club's aim is for its members to enjoy all aspects of owning and using our 4WDs while enjoying the diverse surroundings offered by this great country. We are a club of 4WD enthusiasts who enjoy challenging driving, regular trips, camping, camp cooking and a great social scene on and off track.

MEMBERSHIP

Membership is open to anyone who owns a 4WD (regardless of its make or model) and has a passion for driving. Mount Lofty Rangers Inc is an affiliated member of the South Australian Association of Four Wheel Drive Clubs (FWDSA).

Club Outings

The Mount Lofty Rangers provides regular day, weekend and extended four wheel drive trips, lead by experienced trip leaders. Trips are rated on the level of difficulty and are available to all members and guests.

The club has a dedicated social committee which also organises regular events that complement the club trips.

Experience and Training

Our current members possess a wide range of skills ranging from beginner to advanced. The club has a number of accredited instructors and assessors, and is involved in regular training via the SAAFWDC Driver Training Unit.

Meetings

Club meetings are the second Monday of each month* and are held at the **Blackwood Football Club, Trevor Terrace, Blackwood Time: 7:15 pm for 7.30pm start**

*Except where this Monday falls on a long weekend then the meeting is held on the third Monday of the month.

Take charge with REDARC

REDARC's range of products ensures that you'll always be ready to go... wherever you are!

The Smart Start SBI ensures you'll never have a flat battery

The REDARC Smart Start® SBI is a microprocessor-controlled battery isolator designed for use as a solenoid priority system in multi-battery applications. It protects the start battery from excessive discharge, whilst allowing the auxiliary battery to supply non-essential loads. It's Australia's most trusted dual battery isolator, used by 4WD clubs throughout Australia.

Dual battery chargers made especially for Australia

REDARC's BCDC In-vehicle Battery Chargers feature technology designed to charge batteries to 100%, regardless of their type or size. By providing a unique charging profile to each specific battery type, the BCDC is able to achieve and maintain an optimal charge in auxiliary batteries... at all times.

Battery Management Systems for a complete solution

REDARC's Battery Management Systems, featuring the new Manager30, are state-of-the-art systems designed to charge and maintain auxiliary batteries used in recreational automotive and marine applications. They incorporate AC, DC and solar inputs to achieve the best possible charge.
