PRESIDENTIAL PRESS

It's February already, seems like we just finished New Year, the kids are back at school, sort of, most folks are back at work and the retirees are planning their winter migration to warmer climates. I had my booster jab the other day in preparation of the 2022 activities, whatever they may be.

Our non-routine annual Beachport trip is done and dusted. Overall, I think it went off OK. Numbers in the SOTP were down across the board, but given COVID and the fact 26th was a Wed that was to be expected. Nevertheless, for the die hards that managed to make it down south informal planning each day typically occurred during the informal happy hours the night before. There was a good variety of trips including the regular beach runs to Robe, Carpenters Rocks and into the dunes. We also had trips to Portland, Mt Gambier, Kingstone SE and some Coonawarra wineries. For those who attended, if you have any photos or would like to submit an article re your experience, please send them to Trish at magazine@mountloftyrangers.co.au.

The completion of the Beachport activity also marks the end of our awards qualification period, we will now analyse results and announce the winning members at our Awards Dinner on 30 Apr (more info to follow). If you have you seen anyone do something special behind the scenes, late nominations for the Quiet Achiever award can be submitted up to the COB 27 Feb.

It's also time to start thinking about our AGM and the election of our next committee. I will be asking current members at our next committee meeting if they intend to stand again or not. One position that will be vacated and will need to be filled is that of President. After nearly 9 years on the committee as either VP or President I will be stepping down this year due to changes at work which now prevent me from dedicating the time I would like to the role. Additionally it's probably a good time for a new person to take the reins and drive the club forward. Personally, I have enjoyed my time on the committee and it has been an honour to serve you all. I think the role would ideally be suited to one of our retired members or at the very least someone who has sufficient time to dedicate to the club. If this is you please nominate, if you know someone who fits this criteria convince them to nominate. Note this is a key role and the club can't operate without it.

Finally a reminder we can still hold our monthly meetings and density limits at the football club won't be an issue, however, masks on please when moving around and drinking only whilst seated. Anyway, keep well and stay safe!

Next Meetings:

Next monthly meeting is **14 Feb 2022**

Next committee meeting **28 Feb 2022**

MLR Australia Day at Beachport

Story and photos by Fleur Woodhouse

This was Terry's and I first trip to Beachport with the 4wd drive club since journeys. We thoroughly enjoyed it and we had a practice drive on Long Beach at Robe on the sand.

Then, Serg and Les took us to Noire Crossing on the beach where we experienced getting bogged and digging out cars.

On Tuesday we went to Carpenter Rocks and Terry's car had a true 4wd experience as his car came away with a few broken pieces and a scratched car.
